MAAP Call for Art

Montana Abortion Access Program (MAAP) is seeking local artists to design a high-quality print for use in our end-of-year giving campaign and future outreach. The print should highlight the beauty of Montana and/or the importance of community and feature reproductive justice as a theme. The artist who designs the selected print will receive \$1000, and two runners-up will receive \$250 each for their time. Artists can submit their art using [this form](#).

MAAP protects and fosters reproductive autonomy by offering financial, logistical, and emotional support to people seeking abortion care in Montana. We envision a world where everyone has the freedom, autonomy, and holistic support to make the decisions that are best for their lives, families, and community. You can learn more about our work and our values [here](#).

Eligibility requirements: The only requirement is that the artist is based in Montana. People of any age and level of experience are encouraged to enter.

Entry specifications: All entries should be 8.5x11 with a resolution of 300 dpi. Entries with any other dimensions will not be considered. CMYK files are preferred, but not required. We are only able to accept digital submissions and submitted art must be finished artwork, ready for printing.

Please include reference to 'Montana Abortion Access Program (MAAP)' somewhere in your illustration.

As a pro-abortion organization, we are committed to inclusive and empowering imagery. We avoid using images that feature hangers or references to The Handmaid's Tale, as these can reinforce harmful stereotypes or limit the scope of our work. We instead encourage the use of visuals that reflect the diversity and dignity of all people seeking reproductive care, including diverse gender identities, body types, and experiences.

How to submit: Please submit a copy of your design through [this form](#) no later than October 18th, 2026. The form must be completed in full to be considered.
